

Spa Services

Indulge in pure serenity. Treat yourself to a spa visit, where ancient tradition meets state-of-the-art service to pamper your body and soothe your soul. For that added touch of heaven during your stay in Galena and Jo Daviess County, be sure to visit one of our spas. Full-service spas offer intimate settings and highly skilled staff. Many bed-and-breakfasts, inns and resorts will arrange for in-room spa services as well.

Melt away your cares with a hot stone massage. Revive your spirit with an aromatherapy session. Try a relieving therapeutic massage, Reflexology or Reiki. Freshen up with one of a variety of facials and deluxe body treatments, or bond with friends while getting manicures and pedicures or relaxing in a dry heat therapy sauna. Enhance your appearance with hair styling, waxing and tanning services. No matter which spa you choose, you're in for a blissful treat!
